

## **IMPORTANT NOTICE**

Garden clearance items can be collected from the fenced area situated adjacent to the main car park.

**Disposal of unauthorised garden items collected in March & August 2020 will be disposed of on 7<sup>th</sup> December 2020, if not collected before this date.**

In the week commencing 7<sup>th</sup> December 2020 we will be undertaking a clearance of the garden borders and removing all plaques, ornaments, artificial flowers and other objects that are not authorised. (This will **not** include fresh flowers).

This space will only be open at weekends between **9am – 4pm**, to enable you to retrieve your items and to avoid cross over with people attending funeral services.

**You will still need to follow the strict social distancing rules set out by the government therefore this space is limited to 2 PEOPLE ONLY to enter at any one time.**

We ask that, where possible, you avoid or minimise handling items that do not belong to you. Please place any items moved, back in the box where you took them from before you leave.

The crematorium accepts no responsibility for the condition of the unauthorised items that were placed and had to be removed from the gardens.

This work is necessary in order to maintain and restore the gardens to an attractive and natural environment.

**Please note that removed items are not to be replaced in the gardens**
