

NOTICE

In the week commencing 4th July 2022 we will be undertaking a clearance of the garden borders and removing all plaques, ornaments, artificial flowers and other objects that are not permitted. (This will **not** include fresh flowers or our green vases).

All property will be cleared during this week and will be kept until the next clearance before being disposed of. Property may be claimed from the garden clearance storage area which is situated in the left-hand corner of the main car park **Please note that removed items are not to be replaced.**

This work is necessary to maintain and restore the gardens to as an attractive and natural environment as possible for the benefit of all visitors.
