

## **IMPORTANT NOTICE**

Garden clearance items can be collected from the fenced compound area in front of the garage, situated in the main car park.

This space will only be open at weekends between 9am – 4pm, to enable you to retrieve your items and to avoid cross over with people attending funeral services.

**You will still need to follow the strict social distancing rules set out by the government therefore this space is limited to 2 PEOPLE ONLY to enter at any one time.**

We ask that, where possible, you avoid or minimise handling items that do not belong to you. Please place any items moved, back in the box where you took them from before you leave.

The crematorium accepts no responsibility for the condition of the unauthorised items that were placed and had to be removed from the gardens.

**We kindly ask that you take your items home and do not return the items to our gardens** as they are not authorised to be placed there. Any items other than fresh flowers will be removed on our next garden clearance to maintain the natural beauty of the garden for all to enjoy.
